Innovation in Electrical and Energy Engineering Conference

15 June 2026, Expo Tel Aviv Convention Center

Contacting Exhibitors

We are honored to invite you to take part in the success of the conference "Innovation in Electricity and Energy" andthank you in advance for your response. Your participation in the conference isa return to promoting the innovation industry in the field of electricity and energy in Israel, anditis possible to promote the creation of professional and business relations between start-ups and electricity and energy companies in the economy.

The Steering Committee of the Conference:
Herzel Friedman (Chair of the Conference), Prof. **Yuval Beck**, **Yariv Gesser,** Dr. **Dan Weinstock, Yaakov (Yasha) Hain, Irit Yaakov,** Prof. **Yael Cohen Mintz, Nimrod Kafri,** Prof. **Simon Litsyn, Amos Lasker, Yoni Malachi,** Prof. **Yossi Pinhasi**, Dr. **Gideon Friedman**, **Emil Koifman**

About the Conference:

The "Innovation in Electricity and Energy" conference is the second professional conference organized by the Association of Electrical, Electronics and Energy Engineers, the energy community Energycom, and in cooperation with the Ministry of Energy. We expect that more than 400 entrepreneurs, engineers, scientists and senior officials in the electricity and energy industry will participate in the conference.

The purpose of the conference is to provide a platform for companies, entrepreneurs, academic researchers and developers to unveil new technologies and products and bring them together with engineers and senior officials in the electricity and energy sector in Israel to promote professional and business relationships.

In the conference program, 25 lectures will be presented in 6 plenary sessions and parallel sessions on technological innovations, developments and applications on a wide range of topics related to electrical engineering, energy, and air conditioning, including renewable and storage energies, electric transportation, energy efficiency, cyber defense, and more.

As part of the conference, a professional exhibition will be held in which various companies will present advanced equipment,new products, developments and innovative technologies.

We invite the companies to participate in the exhibition at **the "Innovation in Electricity and Energy" conference,** which will be held on Monday, June 15, 2026 at Expo Tel Aviv (Exhibition Grounds), Pavilion 10, Tel Aviv.

Exhibition Schedules:

Monday, June 15, 2026 from 08:00 to 17:00

Establishment and dismantling times (final hours will be determined prior to the conference date):

Establishment: Monday 15 June 2026 from 06:00 to 08:00

Liquidations: Monday, June 15, 2026 starting at 17:00

Display options

You can participate as exhibitors in one or more of the exhibition options:

1. Exhibition area – 2 x 3 m.
2. Display table.

All construction at the conference is required to undergo a construction engineer's inspection. Work in the conference grounds is subject to safety procedures inthe work for suppliers in the hall area that will be distributed prior to the conference.

Choosing a Location at the Exhibition and Payment Terms

The incorporation's steering committee will confirm the companies' location in the order of registration. In order to ensure their location, the companies are asked to deliver the undertaking signed and approved. After receiving the commitment and the requested area, the committee will examine the application and approve it according to the availability of the areas.

A company that orders space will be obligated to transfer a down payment of 10% of the commitment no later than one month after ordering the area.

Display packages include:

I. Indication of the company's name (and logo) as a participant in the exhibition in the conference publications.

II. Projection of the company's logo in the conference hall.

The cost of the display at the conference

Package cost	Participants are free of charge	Display space	Display Package
8,000 ₪	**2**	**sqm 6**	**Display space**
4,000 ₪	**1**		**Display Table**

In the event that the conference is not held due to government guidelines, the funds will be returned to the companies in full. A company that booked space and decided to cancel its participation in the exhibition by 15/05/26 will receive a full refund of the down payment,

Please note

Prices quoted **do not include VAT**

Uploadthe display area including the one detailed under "Display Options" and the number of entrance tagsfor the conference discussedbelow.

Please note: It is not permitted to bring in equipment and/or advertising materials on the days of the conference that interfere with the exhibition.

Dismantling displays and evacuating equipment will be possible only after the conference ends.

It is possible, in coordination with the secretariat, to order areas beyond what is indicated in the table.

Thank you for agreeing to participate in the show. We would like to thank you for your participation as soon as possible to secure Miko Machm.

Sincerely,

EnergyCom.IL
Conference Secretariat

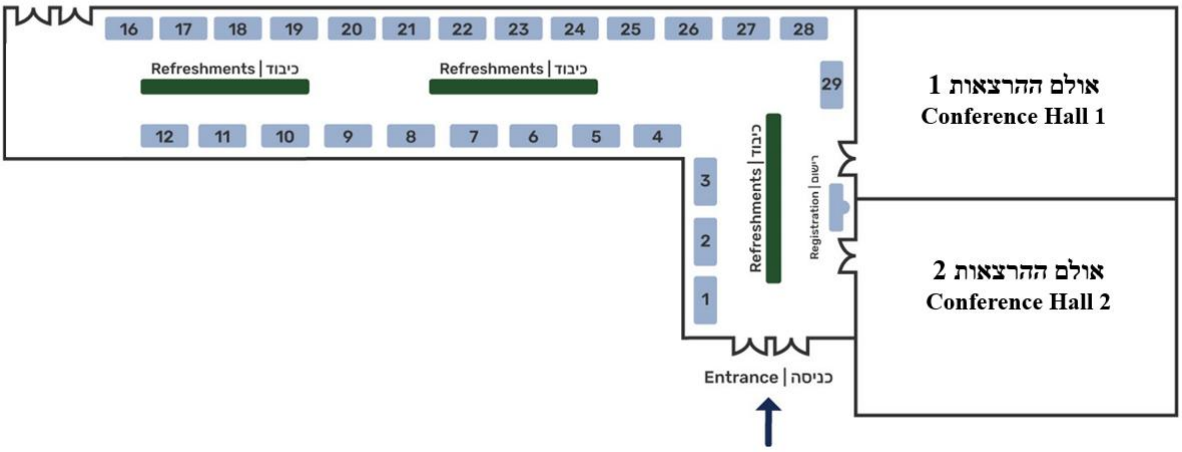

Exhibition Reservation Form

In honor: **Nissim Kashak**

Economic Company of the Association of Electrical Engineers Email: nissim@seeei.co.il

I am the undersigned, interested in the name **of the** _____ company

Participate in the exhibition at **the "Innovation in Electricity and Energy"** conference thatwill be held at Expo Tel Aviv, on June 15, 2026.
We are interested in allocating space for an exhibition/exhibition and services according to the package marked below:

Package cost	Participants are free of charge	Display space	Display Package
8,000 ₪	2	sqm 6	Display space
4,000 ₪	1		Display Table

- **VAT must be added to each cost.**

☐ **Our company will forward a 10% deposit of the order within one month of the delivery of the signed order.**

☐ **The balance of the payment will be transferred by our company until 26/05/26. A company that does not make the payment will not be allowed to participate in the show.**

Payment Form

☐ In a check to the **Ordinance of the Economic Company of the Association of Electrical Engineers**:

S.A.P. Hayetzira House 3, Ramat Gan, 5252141

☐ Credit Card: Type: _____ CVV (3 digits on the back of the card): _____

Card number _____ _____ - _____ - _____ valid ____ - _____

Cardholder's Name: _____ ID: _____

Cardholder's signature: _____

☐ By bank transfer to the account **of the Economic Company of the Association of Electrical Engineers**

Bank Leumi has a branch number: 666, account number: 412700/56.

,Sincerely

_____ _____ _____
